JESUS, REDEEMER OF THE WORLD

1. CHANT: Jesus, Redeemer of the world, Word of the Father throned on high, light from the light invisible, and watchful guardian over all.
2. POLY: The whole creation's architect, you set the bounds of night and day, give to our wearied bodies rest in night's enfolding quietness.
3. CHANT: You broke the chains of death and hell; Lord, free us from our ancient foe and let him never lead astray those you have ransomed by your blood.
4. POLY: Lord, while we live for this short time as mortals clothed in earthbound frame, refresh us now with restful sleep that waking we may watch with you.
5. CHANT: All glory be to you, Lord Christ, who conquering death reign gloriously with God, Creator of all things and with the Spirit Comforter.

Chant: Daryl Bichel
Poly: Patricia Van Ness
Score rev. 27 March 2015
